 Program Evaluation

Project Timeline	
Year 1	Teacher Training
Year 2	Curriculum Delivery & BMP Installation
Year 3	Curriculum Delivery & BMP Installation

United States Department of Agriculture National Institute of Food and Agriculture

Teacher Training

Recruit teachers from all 10 of PCC's Counties to participate in 4-day training hosted in Durham.

Alamance (6) Caswell (1) Chatham (2) Durham (4) Guilford (4) Orange (6) Person (4) Randolph (3) Rockingham (3) Wake (5)

Instructors: Mike Dupree & Robert Matheson

Teacher Training

Teachers understand importance of stormwater BMPs and receive 5-day Rain Garden curriculum and become Rain Garden Certified.

 Rain Garden Certification Taught by Mitch Woodard with NC Cooperative Extension

Year 2 and 3: Curriculum Delivery and Stormwater BMP Installation

- Educational Consultant will meet one-on-one with teachers to review curriculum
- Teachers and students will identify Stormwater BMP needs in collaboration with PCC & local SWCD
- Teachers install BMPs with students

Program Evaluation

Pennsylvania State University will issue pre- and post-curriculum tests to assess environmental literacy gains.

- Tested Durham students scored 43 points higher post-curriculum
- <u>NCSSM Rain Garden Video</u>
