" MAKING THINGS HAPPEN "

National Association of Resource Conservation & Development Councils Announces Award

The National Association of Resource Conservation & Development Councils is pleased to announce that the Pilot View RC&D Council in North Carolina has been awarded a membership in the National Circle of Diamonds Program.

As a member of the Circle, the Pilot View RC&D Council has demonstrated its impact on the quality of life within its local area. Circle members are publicly accountable and realize that their accountability directly relates to the Councils structure, process, and outcomes each member of the Circle attains.

The Pilot View Council, in attaining the Circle of Diamonds level, has shown and promises to continue to show their unique ability to reach and attain the specific benchmarks set forth in the program guidelines. This mark of excellence shows the honesty, integrity and strong commitment of the Pilot View Council to the RC&D mission.

###

Resource Conservation and Development Councils are volunteers who serve their communities in all 50 states and US territories. RC&D Councils identify, address and solve the challenges needed to sustain and improve the quality of life in their own communities.
